

## 4K over IP Fiber not required

The Just Add Power 3G High Fidelity Transmitter Plus Stereo Audio Extraction supports all lossless audio formats – including Dolby Atmos® – as part of the UltraHD over IP line of products.

Input stereo audio to enable the stereo audio extraction port for feed into a stereo audio distribution matrix

Distribute 4K video, stereo audio, and breakout analog audio on a single device.

**Build a future-proof 4K infrastructure.** Just Add Power UltraHD over IP integrates seamlessly with 1080p infrastructure – keep the switch, cabling, and driver! Add 4K to current 1080p systems, or build a new 4K system.
